SEE YOU *on the* OTHER SIDE

HEAVEN · HELL · THE LIFE TO COME

A GUIDE TO THE FREE E-BOOK

About the Book

Everyone has a picture of heaven, but most of those pictures came from cartoons, funerals and folklore, not the Bible. This eight-chapter book walks through the fall 2026 sermon series at Capitol City Church: who gets to heaven, what happens when we die, the tribulation, hell, the second coming, the thousand years and the new earth.

It's honest, warm and often funny, and it's built on one question: What will matter most to you five minutes after you die? Whatever the answer is, that's what should matter most now. It's Part 3 of a three-part journey, after *God Speaks: Jesus* and *Come and See*.

How to use it

ON YOUR OWN

Take one chapter a week. Read the passage, then the chapter. Journal on two questions, do the This Week step and tell someone you're doing it.

WITH A GROUP

Read ahead, then meet for about an hour: walk the Road Map (10 min), read the passage aloud (15), work through Talk It Over (25), then share and pray (10).

WITH YOUR FAMILY

Start with the pictures and the stories. Ask, "Who do you want to see on the other side?" Then read the Road Map together, one stop at a time.

Study helps in every chapter

- **Read First:** the main passage printed in full. Read it before the chapter; a paper Bible you can mark up is even better.
- **Sermon at a Glance** and **the Big Idea** to see the whole message at once
- **Key Verse** boxes, pull quotes and **Key Truths**
- **The Road Map:** where each chapter fits in God's timeline, from death to the new earth
- **From the Stage:** the stories behind the series
- **Story markers** ◆◆◆ around each personal story from the series
- **Study Guide** (back of the book): Rick's original sermon outlines and background notes for every chapter
- **Glossary** of terms like Hades, Antichrist and Armageddon
- **Go deeper:** *The Tribulation and the Millennial Kingdom*, a 55-page companion study for chapters 3 and 6

DON'T MISS THE SERMONS

- Every chapter has a **Watch the sermon** QR code and button. Scan it with your phone's camera or tap it to watch on YouTube. Watch first and then read, or read first and watch as a review.
- All eight messages are in one YouTube playlist. The contents, chapter titles and tabs are all tappable.
- On iPhone or iPad, tap the file, then **Share › Books** to keep it in your library.
